Dear Friends,

Thanks for writing. The response to our ads has been tremendous! Our mailbox has been stuffed every day. It's great to hear from everybody: we're getting the real picture of what Nazi skinheads are up to--and what you ANTI-NAZIS are doing about it.

So here's your *Just Say No to Nazis Kit*. This kit is TO USE...and we've put in a bunch of things that might come in handy in educating and mobilizing your community against Nazi skinheads and all forms of racist, sexist, anti-gay, anti-Semitic organizing.

There are lots of things to do. So do what feels right, possible, and safe. Don't look for fights! Remember, Nazis tend to travel in packs; they may be armed.

The best response is an organized campaign by as many people as possible to expose their racism and violence.

Call or write us with news!

*No Nazis! No KKK! No
Fascist USA!*
