Re: **House Resolution 109**

We, the undersigned, urge you and all members of the Committee on the Judiciary to co-sponsor H. Res. 109, introduced by Congressman Ron Dellums.

This Resolution calls on the Governor of California and/or the California Board of Prison Terms to take actions within their power to bring about a new trial and/or the immediate release from prison of Geronimo ji Jaga (Pratt). In addition, this Resolution urges the Judiciary Committee to conduct an inquiry to obtain evidence withheld by the FBI from the California Attorney General and the courts which would substantiate Geronimo's innocence. This blatant obstruction of justice in Geronimo's case is a continuation of the FBI's counterintelligence program (COINTELPRO) campaign against him which was a "secret war" that in part sought to destroy the Black Panther Party and its leadership.

We urge you to do everything in your power to carry out the intent of H. Res. 109.
