

# HUNGER STRIKE

In the Name of God

and

in the Name of the Heroic People of Iran

The Moslem Students Society (U.S.A.), supporters of the People's Mojahedin Organization of Iran, will stage a hunger strike in front of the United Nations Headquarters in New York beginning July 30<sup>th</sup> and ending August 4<sup>th</sup>. This is done to expose the massacres of political prisoners in Iran-- from whom hundreds, including girls and boys under the age of 18, have been brutally murdered-- by the savage regime. By this act, we also mean to protest the murder of the imprisoned Mojahed Brother Mohammad Reza Saadati-- member of the People's Mojahedin Organization of Iran-- who was martyred under torture by the agents of Khomeini's regime. May it be that the voices of protest raised by the Iranian masses will be heard by the people of the world.
