**VIDEO ON THE STRUGGLE AGAINST THE KLAN.**

*U.S. Marine in Grenada? Lebanon? U.S. advisor in El Salvador? No, it could be, but it is actually the KKK in Alabama training for race war. Just as the U.S. is invading sovereign nations abroad, there is a war on Black people at home—from U.S. sanctioned KKK paramilitary training, to killer cops, to political repression. We must take a stand against this war too, and support the struggle for land & independence for the Black nation—New Afrika.*
