

COMMITTEE TO END THE MARION LOCKDOWN
343 S. Dearborn, Ste. 1607, Chicago, IL 60604
663-5046

November 20, 1986

Dear Friend:

The recent Conference was a great opportunity for the 175 people in attendance to reunite and reaffirm our commitment to ending the use of Control Units at Marion and Lexington prisons, and to stopping the selective mistreatment of political prisoners in this country.

Now it is time to continue our efforts to bring the government's policies of political and social repression to public light. On Saturday, December 6, at noon, we will meet at the Daley Center Plaza to rally and march to the Metropolitan Correctional Center. More information about the demonstration is enclosed.

Also enclosed are the details about our next meeting. This will be an informal chance to organize for the demonstration. In recognition of the anniversary of his death, the moving documentary, "The Murder of Fred Hampton" will be shown.

Please join us in bringing to the Bureau of Prisons, the message that these human rights violations will not be tolerated! With your presence, we can make a difference!
