AERIAL ATTENTION FOR MUMIA

A FAIR TRIAL FOR MUMIA ABU JAMAL!!!

Mr. Mumia Abu-Jamal is scheduled to be executed August 17th (Marcus Garvey's Birthday) in the state of Pennsylvania. There is serious doubt whether or not he committed the capital crime for which he was convicted. His trial was a travesty of justice.

A group of citizens mainly of East Palo Alto, but also including some residents of neighboring cities, decided to hire an aerial service to bring exposure to this case before it is too late. A flight will take place on Saturday, August 5th beginning at 3:00 p.m. with the banner bearing the above statement.
